

2024 Price Survey of Funeral Homes

Funeral Consumers Alliance of the Virginia Blue Ridge

The Funeral Consumers Alliance of the Virginia Blue Ridge is a non-profit organization dedicated to empowering you to choose simple, meaningful, affordable after-death arrangements. Funeral and burial costs can be confusing and expensive. To protect your right to free, fair, and accurate information, we periodically survey licensed funeral homes and public cemeteries in our area: in the counties of Montgomery, Roanoke, Giles, Floyd, and Pulaski, Virginia, as well as in the cities of Roanoke, Salem, Bedford and Radford, VA. We have also included funeral homes in Richmond, Charlottesville, Lynchburg and far Southwest Virginia for your convenience.

These surveys compare prices and services, taken from funeral home General Price Lists (GPL's) which are mandated by the Federal Trade Commission (FTC) to be accurate and freely available upon request. To read more about your rights, visit the FTC Funeral Rule. There are many other services available which are not listed here. While we recognize that price is not the only consideration, it is a good first place to start.

How to Use This Survey

Surveys are arranged in alphabetical order by city. Prices were accurate as of May 2024, but are subject to change. Be sure to check with establishments to confirm their current General Price Lists and to clarify the nature of the services listed. Most funeral homes have websites, and many post their GPL's online, which is indicated by  in the Online Price List column. We recommend searching online for additional services offered by individual funeral homes.

The Basic Fee is mandatory, and includes "funeral planning, securing the necessary permits and copies of death certificates, preparing the notices, sheltering the remains, and coordinating the arrangements with the cemetery, crematory or other third parties." (Federal Trade Commission). Other services such as embalming, make-up and dress, hosting a viewing, and conducting a funeral service are not included in the Basic Fee but are included in the Full-Service Funeral costs listed in our survey. The "Total Full-Service Funeral" row does not include the cost of a casket as these can be purchased from other vendors, nor does it include the outer container, which may or may not be required by the cemetery. Immediate Burial and Direct Cremation are listed immediately afterward as these represent alternatives to the Full-Service Funeral. On the last page, you will find Low, Median, and High pricing to help you understand the range of prices you can expect.
